SERVO-DRIVE
by Blum

i Content

- 1 Attachment bracket
- 2 Drive unit
- 3 Transport protection
- 4 Protection against dripping water
- 5 Blum plug-in transformer
- 6 Assembly device
- 7 Blum distance bumper

The ideal addition to the waste bin pull-out

SERVO-DRIVE uno provides easy opening for bottom mount waste bin solutions. The pre-mounted individual set can be installed very easily with no additional measuring or drilling required. Also ideal for retrofitting.

Easy assembly

SERVO-DRIVE uno can be installed quickly and easily.

1. Install Blum spacing bumpers

2. Position assembly device on the cabinet base

3. Slide on SERVO-DRIVE unit

4. Insert and close pull-out – this automatically sets the correct depth position

5. Screw on SERVO-DRIVE unit, remove transport protection

6. Connect SERVO-DRIVE uno to power outlet
